Dear Bookworms,

Rep. McCombie's summer reading club encourages students to go places with reading! Reading Buzz is an easy and fun way to participate in the interesting and adventurous world of books.

1. Students that will be in elementary school are challenged to read eight books over the course of the summer. Books over 200 pages may count as two books.
2. Even if a student is already participating in a reading program, they may 'double dip' and use those books for Rep. McCombie's program.
3. Once a student has completed the reading, fill out the form, have a parent or guardian sign off the books were read, and return it to Rep. McCombie, 301 First Avenue, Rock Falls, IL 61071 or complete form online at repmccombie.com by August 13th.
4. Once Rep. McCombie's office collects all of the forms, kids who successfully completed the readings will be given a certificate of achievement and a special treat. Rep. McCombie will also provide information about state and local education programs.

Reading is great for school, enjoyment, and a lifetime of learning. Every book is a new adventure taking you places you've never been before! Have fun over the summer and get "buzzy" reading!

Contact Rep. McCombie at (815) 632-7384 or mccombie@ilhousegop.org if you have any questions.

Sincerely,

Tony M. McCombie
